

How do I get started in Medical Communications?

Dear Colleague:

Thank you for your interest in the discipline of Medical Communications. If you are currently a member of the American Medical Writers Association (AMWA), welcome aboard! If you are contemplating making a career change and want more information about Medical Communications, the amwa.org Web site has the information you need. Compiled by Medical Communications professionals who have been in the business for many years, it is the most comprehensive and reliable source of information available about the discipline and its many forms and specialties.

For more specifics about the field of Medical Communications, go to the [About Medical Communications](#) page for an overview of the discipline. Then access the [Toolkit for New Medical Writers](#). The information provided on these pages is available to nonmembers.

Thanks so much for your inquiry and best of luck in your career pursuits.

Warm regards,
